TRUE LUXURY LIES IN DETAILS

Authentic luxury cannot be seen, it can be felt: it is the emotion contained in details. Sartoriality, elegance, and magnetism are the main characteristics of LUXOR collection. Makassar ebony wood, chosen as the collection's protagonist in a special satined finish, echoes the magnificence of Made in Italy aesthetic with its warm dark brown veins. The wood's depth of colour is sophistically paired with a high gloss finish Namibian Oyster marble that matches perfectly with the embracing shades of LUXOR. Finally, details in galvanized "titanium finish" stainless steel frame the main areas of the collection: living room, dining room, bedroom and office.

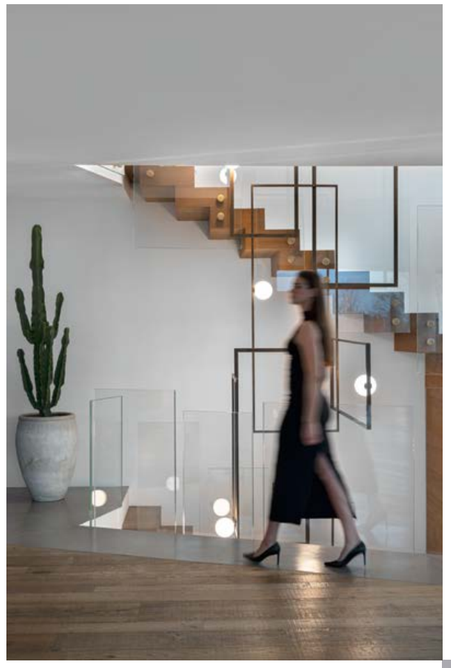

The living area features two different sets of modular sofas offering a choice of various configurations that allow great compositional versatility. A dining area welcomes a table with a majestic high gloss finish Namibian Oyster marble accompanied by matching buffet, vetrine and upholstered quilted dining chairs. Bedroom's most important masterpiece is the bed with big headboard's wings featuring inserts in satined galvanized titanium finish stainless steel. Finally the presidential office is characterized by the luxurious look of satined Makassar Ebony wood desk, bookcase and office chairs. LUXOR collection offers a contemporary total look with over 100 pieces, including lightings and accessories as carpets, vases, paintings, wallpapers and bedspreads.

LUXOR: a philosophy of living where luxury merges with emotions.
